

StudentSecure[®]

Pursuing your education outside your home country?

Get StudentSecure insurance from WorldTrips, a member of the Tokio Marine HCC group of companies.

Why Choose StudentSecure®?

StudentSecure is designed for international students and scholars studying abroad, offering coverage that aligns with many visa and school requirements.

With four levels—Elite, Select, Budget, and Smart—students can choose an option that fits their needs and budget. Each level includes coverage for eligible medical expenses, emergency medical evacuation, and repatriation of remains.

DO I NEED STUDY ABROAD INSURANCE?

If you're studying outside your home country, consider student health insurance to cover unexpected medical expenses. Many visas and schools require international students to have qualifying health insurance, and coverage from home may not apply abroad. StudentSecure offers a budget-friendly option designed to help meet these requirements and access care while you're away.

What's Covered by StudentSecure[®]?

PRE-EXISTING CONDITIONS

After 6 months of continuous coverage, StudentSecure Elite and StudentSecure Select will provide benefits for pre-existing conditions (12 months for StudentSecure Budget).

Pre-existing condition means any injury, illness, sickness, disease, or other physical, medical, mental, or nervous disorder, condition, or ailment that, with reasonable medical certainty, existed at the time of application or at any time during the 12 months prior to the effective date of this insurance, whether or not previously manifested, symptomatic or known, diagnosed, treated, or disclosed to us prior to the effective date, and including any and all subsequent, chronic or recurring complications or consequences related thereto or resulting or arising therefrom.

Note: StudentSecure Smart does not provide coverage for expenses related to pre-existing conditions except as provided for under the Acute Onset of a Pre-Existing Condition benefit described below.

ACUTE ONSET OF A PRE-EXISTING CONDITION

Individuals who purchase a StudentSecure plan have coverage for the acute onset of a pre-existing condition (up to the \$25,000 lifetime maximum). An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence that is of short duration, is rapidly progressive, and requires urgent care. A pre-existing condition that is a chronic or congenital, or that gradually becomes worse over time, is not acute onset of a pre-existing condition.

The Acute Onset of Pre-existing Condition benefit will apply only if, at the time of the acute onset of a pre-existing condition, all of the following

conditions are met:

- a) The acute onset of a pre-existing condition does not directly or indirectly relate to a chronic condition or congenital condition; and
- b) Treatment must be obtained within twenty-four (24) hours of the sudden and unexpected outbreak or reoccurrence; and
- c) You must not be traveling against or in disregard of the recommendations, established treatment programs, or medical advice of a physician or other healthcare provider; and
- d) You must not be traveling with the intent or purpose to seek or obtain treatment for the pre-existing condition; and
- e) You must be traveling outside your home country

SPORTS AND ACTIVITIES

Medical expenses for injuries or illnesses sustained while participating in leisure, recreational, entertainment, or fitness activities are covered up to the overall maximum limit. Please review the StudentSecure Description of Coverage for a list of excluded sports and activities.

StudentSecure Elite and Select includes coverage for medical expenses resulting from injuries or illnesses sustained while participating in intercollegiate, interscholastic, intramural, or club sports (up to \$7,500 per injury or illness). StudentSecure Budget and Smart do not offer coverage for intercollegiate, interscholastic, intramural, or club sports.

MENTAL HEALTH DISORDERS

StudentSecure provides benefits for mental health disorders. Drug and alcohol abuse are covered under this benefit on the Elite, Select and Budget plan levels. Treatment for mental health disorders is covered only if not obtained

from a student health center.

EMERGENCY DENTAL

The following emergency dental expenses are covered: emergency dental treatment necessary to resolve pain or to restore or replace natural teeth lost or damaged in an accident which is covered under this insurance subject to a \$500 certificate period maximum.

EMERGENCY MEDICAL EVACUATION

Would you know what to do if you found yourself in a life-threatening situation far from home? WorldTrips is experienced in arranging emergency medical evacuations. StudentSecure will cover eligible expenses necessary to transport you from an initial treating facility to the nearest hospital qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. StudentSecure will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

TERRORISM

While uncommon, events such as terrorism can be among the risks travelers consider when planning. If you are in the wrong place at the wrong time, StudentSecure Elite, Select, and Budget offer coverage for eligible medical expenses resulting from these acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 "reconsider travel" or higher travel advisory in the 60 days prior to your arrival date.

REPATRIATION OF REMAINS

The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, StudentSecure will arrange for and cover eligible costs associated with the repatriation of your remains.
