Most people don't realize they're at risk when they're traveling, and assume they're already covered by their standard medical plan. While some traditional plans may offer some domestic coverage, they aren't designed for international travel. Fill the gaps in your travel medical coverage with a **Visitors Care®** plan that meets your needs and spend more time enjoying your international experience—not worrying about your medical coverage.

Visitors Care offers a broad package of scheduled benefits for non-U.S. residents traveling to the United States. There are nine separate options based on deductible levels and maximum limits. Simply select the option that best fits your needs.
